**BX WRINKLE CORRECTOR**  
CORRECTOR OF EXPRESSIONS LINES.  
SMOOTHING EFFECT.

Its formula will act like a daily micro-dose of dermo-relaxing peptides for a cosmetic botulinum toxin effect and specifically target the formation of expression lines and fine lines caused by daily facial micro-contractions.

This latest generation cosmetic product is used as an **ALTERNATIVE** to or as a **REINFORCEMENT** of dermo-aesthetic botulinum toxin injections.

**KEY ACTIVE INGREDIENTS**  
> **DERMO-RELAXING PEPTIDE COMPLEX**  
> **ULTRA-MOISTURIZING COMPLEX**

**RESULTS :**  
EXPRESSION LINES VISIBLY FADE AWAY,  
THE SKIN BECOMES SMOOTHER AND  
THE FACE LOOKS YOUNGER. FEATURES  
LOOK RELAXED, SMOOTH, REJUVENATED,  
EXPRESSION LINES APPEAR ERASED!

Observational clinical tests under  
medical dermatological control on  
women who have received an  
injection of botulinum toxin.

IMPROVES the effectiveness of the injection in <b>87%</b> of cases.*	PROLONGS the efficiency of the injection in <b>63%</b> of cases.*
DELAYS the next injection.*	REDUCES the appearance of expression lines in <b>80%</b> of cases.*

Clinical study carried out on 30 people who had received a botulinum toxin injection 6 to 10 weeks before the application of BX WRINKLE CORRECTOR and who had applied the product twice daily for 90 days. \*Overall Impression among dermatologists. \*\*Self-evaluation carried out on 30 people.

DISCOVER MORE FROM THE  
COSMECEUTIQUE RED LINE

**GLYSALAC SKIN PREPARER**  
A deep cleanser with glycolic and salicylic acid to gently remove dead surface skin cells while thoroughly cleansing the skin. This water soluble cleanser brightens the skin, refines and smooths uneven skin texture and refreshes dull complexions.

**DESQUACREM FORTE MICRODERM**  
For clogged normal-combination to oily skin, thickened skin, hyper-pigmented, aging and sun-damaged skin types. Benefits: Delivers a deep-pore cleansing action , combined with the exfoliating effect of salicylic acid and micro-grains of rice.

**GLYSALAC DERMOBOOSTER**  
The hydroxyl acids in this serum booster help to minimize the appearance of fine lines, pores and enhance skin texture.

**RETINOL DERMOBOOSTER**  
Pure retinol in this serum booster assists in skin regeneration and promotes skin radiance, softens the appearance of lines, wrinkles and enlarged pores.

**ULTRA C DERMOBOOSTER**  
High potency vitamin C in this serum booster increases skin radiance and brightens the complexion for a younger looking skin.

COSMECEUTIQUE PROFESSIONAL  
CHEMICAL PEELING TREATMENTS

**Glysalac Professional Peeling Treatment**  
A gentle, yet effective dual-action exfoliation using an active combination of glycolic and salicylic acids to help lift away dead surface cells to reveal a clear, even complexion.

**Lactic Acid Professional Peeling Treatment**  
An intense multi action peel combining Lactic acid and plant extracts helps even out skin tone and combat the signs of aging. Promotes softer more hydrated skin while stimulating natural collagen production, diminishing fine lines and wrinkles and repairing the effects of sun damage.

**T.C.Actif Professional Peeling Treatment**  
An intensive skin exfoliation and peeling treatment that treats concerns of hyper pigmentation and skin aging. It is highly effective in smoothing the skin's surface texture, diminishing the depth of wrinkles and stimulating collagen production for a more youthful appearance. Your esthetician will perform a complete skin analysis and consultation to ensure suitability for this peel.
